# Key features for 2021

## Quarterly brochures

We are now issuing our brochures on a quarterly basis in November, March, June and September.

Our Q1 brochure lists all of the webinars that we will be delivering over the coming year.

To be kept up to date with all the new webinar releases - enabling you to plan your training with certainty - please sign up to our monthly newsletter by emailing [webinars@lexisnexis.co.uk](mailto:webinars@lexisnexis.co.uk)

## Extended broadcast availability

As our webinars are available to watch for 24 months after their release date, we have expanded the brochure to include all of the on-demand content that we currently have available.

## Webinar Briefs

We will continue to add to our Webinar Briefs programme in 2021. For those days when you simply cannot find a spare hour to watch a full webinar, our Webinar Briefs condense cutting edge legal topics into readily accessible ten-minute videos.

Webinar Briefs will be broadcast throughout the year. Be sure to check [www.lexiswebinars.co.uk/legal/webinar-briefs](http://www.lexiswebinars.co.uk/legal/webinar-briefs) for updates on release dates and topics or sign up to our monthly newsletter by emailing [webinars@lexisnexis.co.uk](mailto:webinars@lexisnexis.co.uk).

## Brexit

With the transition period ending on 31 December 2020, we will be running an extensive programme of Brexit webinars during the early part of 2021 covering every aspect of law and practice concerning the UK's exit from, and future relationship with, the European Union. For full details, please see page 7.

## Coronavirus (COVID-19)

Following government guidance on social distancing and to ensure the safety of our presenters and staff, we have temporarily closed our studio facilities in central London.

However, we are continuing to deliver our webinar programme using a new system that enables us to record our content remotely.

We will also be releasing a series of 8 new webinars looking at the impact of the pandemic on various areas of legal practice.

# The Training Manager Dashboard

Our webinar platform offers an additional feature to customers who sign up to our unlimited webinars subscription package.

The Training Manager Dashboard is a free tool which will help you to make the most of your firm's subscription by enabling you to administer users within your firm and run reports on their webinar viewing activity.

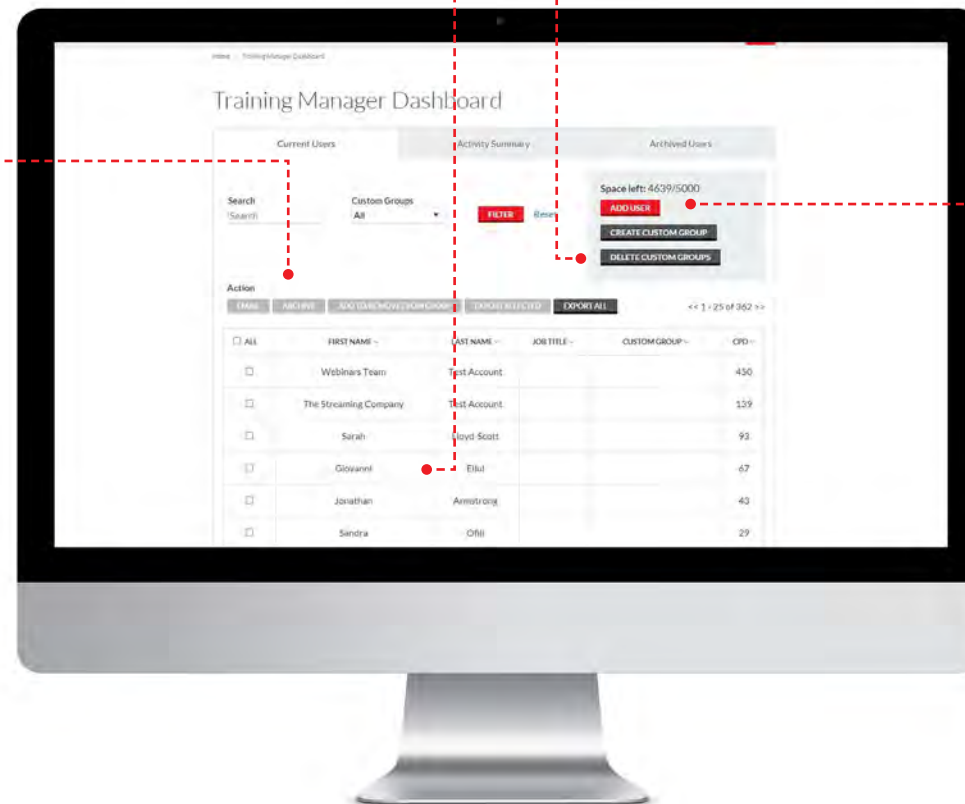

Use the Training Manager Dashboard to manage webinar users within your firm by:
