Key features for 2020

Quarterly brochures

We are now producing quarterly brochures, announcing the latest webinar broadcast dates for the upcoming quarter, so you can plan your training activity with confidence.

Webinar Briefs

We are expanding our Webinar Briefs programme in 2020, running 10-minute webinars for all of our practice areas throughout the year. For those days when you simply cannot find a spare hour to watch a full webinar, our Webinar Briefs condense cutting edge legal topics into readily accessible ten-minute videos.

Webinar Briefs will be broadcast throughout the year. Be sure to check www.lexiswebinars.co.uk/legal/webinar-briefs for updates on broadcast dates and topics or sign up to our monthly newsletter by emailing webinars@lexisnexis.co.uk.

Extended broadcast availability

Our webinars are available to watch for 24 months after their broadcast date, giving you longer to review or refer back to a topic. For more information on webinar subscriptions, please see the final page.
